

Immunoturbidimetry			
1. Apolipoprotein			
Catalog No.	Product	Description	Recommendation
100742	Apo A1	Goat anti-human apolipoprotein a1, serum	For immunoturbidimetry
100743	Apo B	Goat anti-human apolipoprotein b, serum	For immunoturbidimetry
2. Renal Function			
Catalog No.	Product	Description	Recommendation
100744	NGAL	Rabbit Anti-Human ngal, affinity purified antibody	For Latex-enhanced Immunoturbidimetry
100745	β -2M	Rabbit Anti-Human β -2m, affinity purified antibody	For Latex-enhanced Immunoturbidimetry
100746	RBP	Rabbit Anti-Human retinal binding protein, affinity purified antibody	For Latex-enhanced Immunoturbidimetry
100747	RBP	Goat Anti-Human retinal binding protein, affinity purified antibody	For Latex-enhanced Immunoturbidimetry
100748	mALB	Goat Anti-Human urine microalbumin, serum	For Latex-enhanced Immunoturbidimetry
100749	CYSC	Rabbit Anti-Human cystatin c, affinity purified antibody	For Latex-enhanced Immunoturbidimetry
100750	CYSC	Goat Anti-Human cystatin c, γ fraction	For Latex-enhanced Immunoturbidimetry
3. Inflammation			
Catalog No.	Product	Description	Recommendation
100751	CRP	Rabbit Anti-Human C-Reactive Protein, affinity purified antibody	For immunoturbidimetry /For Latex-enhanced immunoturbidimetry
100752	CRP	Mouse Anti-Human C-Reactive Protein, affinity purified antibody	For Latex-enhanced Immunoturbidimetry
100753	CRP	Mouse Anti-Human C-Reactive Protein, affinity purified antibody	For Latex-enhanced Immunoturbidimetry
100754	CRP	Goat Anti-Human C-Reactive Protein, affinity purified antibody	For Latex-enhanced Immunoturbidimetry
4. Immunglobulin & Complement			
Catalog No.	Product	Description	Recommendation
100755	IgA	Goat Anti-Human IgA (α Chain Specific) serum	For Immunoturbidimetry
5. Rheumatism			
Catalog No.	Product	Description	Recommendation
100756	SLO	Streptolysin O (SLO) recombinant antigen	For Latex-enhanced Immunoturbidimetry
100757	SLO	Streptolysin O (SLO) recombinant antigen	For Latex-enhanced Immunoturbidimetry
100758	RF	Human IgG polymers	For Immunoturbidimetry /For Latex-enhanced immunoturbidimetry
100759	CCP	Cyclic citrullinated peptide antigen	For Latex-enhanced Immunoturbidimetry
Catalog No.	Product	Description	Recommendation
100760	MYO	Rabbit Anti-Human Myoglobin, affinity purified antibody	For Latex-enhanced Immunoturbidimetry
100761	cTnl	Goat Anti-Human Troponin I, affinity purified antibody	For Latex-enhanced Immunoturbidimetry
7. Nutrition			
Catalog No.	Product	Description	Recommendation
100762	PA	Goat Anti-Human Pre-Albumin, serum	For Immunoturbidimetry
8. Diabetes			
Catalog No.	Product	Description	Recommendation
100763	HbA1c	Anti-HbA1c monoclonal antibody	For Latex-enhanced Immunoturbidimetry
9. Calibrator Raw Materials			
Catalog No.	Product	Description	Recommendation
100764	Apo A1	Apo A1 Calibrator, High Level	Calibrator raw material
100765	Apo B	Apo B Calibrator, High Level	Calibrator raw material
100766	Lp(a)	Lp(a) Calibrator, High Level	Calibrator raw material
100767	Lp(a)	Lp(a) Calibrator, High Level	Calibrator raw material
100768	CYSC	CysC Calibrator, High Level	Calibrator raw material
100769	mALB	ALB Calibrator, High Level	Calibrator raw material
100770	NGAL	NGAL Calibrator, High Level	Calibrator raw material
100771	β -2M	β 2-MB Calibrator, High Level	Calibrator raw material
100772	RBP	RBP Calibrator, High Level	Calibrator raw material
100773	IgA	IgA Calibrator, High Level	Calibrator raw material
100774	IgM	IgM Calibrator, High Level	Calibrator raw material
100775	Mix (IGA, IGM, IGG, C3, C4)	Ig/C3/C4 Calibrator, High Level	Calibrator raw material
100776	PA	PA Calibrator, High Level	Calibrator raw material
100777	CRP	CRP Calibrator, High Level	Calibrator raw material
100778	SAA	SAA Calibrator, High Level	Calibrator raw material
100779	ASO	ASO Calibrator, High level	Calibrator raw material
100780	D-Dimer	D-Dimer Calibrator, High Level	Calibrator raw material
100781	MYO	MYO Calibrator, High Level	Calibrator raw material

10. Heterophilic Immunoglobulin Elimination Reagent			
Catalog No.	Product	Description	Recommendation
100782	HIER	Heterophilic Immunoglobulin Elimination Reagent	For Goat Polyclonal Antibody
100783	HIER	Heterophilic Immunoglobulin Elimination Reagent	For Goat Polyclonal Antibody
100784	HIER	Heterophilic Immunoglobulin Elimination Reagent	For Rabbit Polyclonal Antibody
100785	HIER	Heterophilic Immunoglobulin Elimination Reagent	For Rabbit Polyclonal Antibody
11. Immuno Histochemistry			
Catalog No.	Product	Description	Recommendation
100786	Ki67	Ki-67 Polyclonal Antibody	For Immunohistochemistry (IHC) Staining
100787	ER	Estrogen Receptor monoclonal antibody	For Immunohistochemistry (IHC) Staining
100788	Her2	Her2/Neu monoclonal antibody	For Immunohistochemistry (IHC) Staining
100789	PR	Progesterone Receptor monoclonal antibody	For Immunohistochemistry (IHC) Staining
